### **DETAILED ACTION**

**The request for the extension of time and amendment filed on 9-23-02 are acknowledged.**

**Claims 1-17 and 54-57 are pending in the application; claims 1-17 and 54-57 are allowable pending the correction of the following.**

**1) Because additional amendments have been made, a supplemental declaration is required. Further, the original declaration no longer recites an error being corrected by reissue. The original declaration does not specify with particularity what error is being corrected. Thus, a new declaration, signed by all the inventors, is required.**

**2) claims 1 and 16 contain errors in their amendments and therefore, need to be resubmitted:**

**Line 4 of claim 1: it should have been 'that' instead of 'at', following the term, 'such'.**

**Originally presented claim 16 spells polynucleotide as 'polynucleofide'.**
